Project Progress:

Team Member (1): Carlo Napolitano

What did you accomplish Today?

Today I broke down what our project was based on and provided the two new members with basic information and articles on what supply chain management is. Also, I got them up to speed on where we are currently at workwise and our next in-person meeting date.

Team Member (2): Omed Bahaddin

What did you accomplish Today?

Today I added both new members to the Azure DevOps to allow them to be able to see what work we are currently working on as well as get them used to using Azure in general, also provide the team with any issues they may have come up with whilst using azure.

Team Member (3): Fares Eisa

What did you accomplish Today?

Today I updated the daily meet-up as well as carried on my supply chain research looking for different manufacturers as well as looking into other services that could provide.

Team Member (4): Khalid A Aden

What did you accomplish Today?

Today I joined both the group chat as well as the azure develops and received a rundown of what the project was about as well as general information.

Team Member (5): Faisal Dahir

What did you accomplish Today?

Today I joined both the group chat as well as the azure develops and received a rundown of what the project was about as well as general information.
